
Announcement of work during holidays

Dear clients,

We would like to inform you that our company has made a decision that on the occasion of International Labor Day and Easter, it will not work from 01.05. until 06.05.2024.

The first working day will be May 7, 2024.

During non-working days, work will be organized according to the system of holiday shifts, which means that payments of funds to your Metatrader account will be made immediately upon payment, while the request for withdrawing funds will be made on the first working day after the holiday, on 07.05.2024.

You can contact your agent for any problems with trading and operation of the Metatrader 5 platform between 9am and 5pm.

Limit Prime Securities wishes you happy holidays!
